VERIFIED COMPLAINT

Plaintiff, MED-ASIA SHIPPING LTD. ("Plaintiff") by and through its attorneys, Lennon, Murphy & Lennon, LLC, as and for its Verified Complaint against the Defendant, COSCO BEIJING INTERNATIONAL FREIGHT CO., LTD. ("Defendant"), alleges, upon information and belief, as follows:

- 1. This is an admiralty and maritime claim within the meaning of Rule 9(h) of the Federal Rules of Civil Procedure and 28 United States Code § 1333. This claim involves the breach of maritime contract of charter. This matter also arises under the Court's federal question jurisdiction within the meaning of 28 United States § 1331 and the New York Convention on the Recognition and Enforcement of Foreign Arbitral Awards (9 U.S.C. § 201 et seq.) and/or the Federal Arbitration Act (9 U.S.C. § 1 et seq.).
- 2. At all times material to this action, Plaintiff was, and still is, a foreign company duly organized and operating under foreign law with a principal place of business at Hong Kong, Special Administrative Region, People's Republic of China.

- 3. Upon information and belief, Defendant was, and still is, a foreign corporation, or other business entity organized and existing under foreign law with a principal place of business at Beijing, People's Republic of China.
- 4. At all material times Plaintiff was the disponent Owner of the ocean going motor vessel "PALINI" (hereinafter the "Vessel").
- 5. Pursuant to a charter party dated June 5, 2007, as evidenced by a fixture note, Plaintiff chartered the Vessel to Defendant for a trip from Xingang, Peoples Republic of China to Costantza, Romania for the purpose of carriage of heavy equipment, on the vessel's deck, for a new coal grinding plant at the Rezina Plant in Moldova. Copies of the fixture note and bill of lading are respectively annexed hereto as Exhibits 1 and 2.
- 6. The fixture note and bill of lading expressly note that deck carriage of the cargo is at the risk and responsibility of the charterer/shipper/receiver for any loss, expenses or damage.
- 7. On or about July 19, 2007 the Defendant's cargo was loaded aboard the Vessel at Xingang and lashed to the Vessel's deck as was permitted by the fixture recap and bill of lading. By having its cargo so loaded aboard the Vessel the Defendant accepted all risk and responsibility for any loss, expenses or damage that might ensue.
- 8. During the course of the voyage the Vessel encountered heavy weather and the Defendant's cargo shifted requiring that it be re-lashed, or secured, when the Vessel called at Singapore to take on fuel oil bunkers on or about August 5, 2007.
- 9. As a result of the re-lashing of the Defendant's cargo at Singapore the Plaintiff incurred the following damages and expenses¹, all of which are the responsibility of the Defendant:

¹ Please see annexed hereto Plaintiff's invoice to Defendant.

•	Re-lashing costs including fees:		\$73,020.59;
•	Vessel delay costs:	_	\$148,970.40;
	i. Hire due to headowners:	$$141,110.40^2;$	

Fuel oil bunkers consumed: \$7,860³; and ii.

Surveyors, Port Captain and Crew Bonuses: \$10,000.

Plaintiff is preparing to commence proceedings against Defendant in Hong Kong. 10.

11. As best as can now be estimated, Plaintiff expects to recover the following amounts in the Hong Kong proceeding:

,		£290 022 04
D.	Litigation costs/expenses:	\$25,000.00
C.	Attorneys' fees:	\$75,000.00
В.	Interest on claims: 3 years at 7.5%, compounded quarterly	\$57,931.95;
A.	Principal claim:	\$231,990.99;

Total \$389,922.94.

12. The Defendant cannot be found within this District within the meaning of Rule B of the Supplemental Rules for Certain Admiralty and Maritime Claims of the Federal Rules of Civil Procedure, but, upon information and belief, Defendant has, or will have during the pendency of this action, assets within this District and subject to the jurisdiction of this Court, held in the hands of one or more garnishees which are believed to be due and owing to the Defendant.

The Plaintiff seeks an order directing the Clerk of Court to issue Process of 13. Maritime Attachment and Garnishment pursuant to Rule B of the Supplemental Rules for Certain Admiralty and Maritime Claims, and also pursuant to the United States Arbitration Act, 9 U.S.C.

 $^{^2}$ \$32,000 per day x 4.4097 days = \$141,110.40 owned to non-party Palini Maritime Ltd. 3 13.1 metric tons of marine gas oil @ \$600 per metric ton = \$7,860.

§§ 1 and 8, attaching, inter alia, any assets of the Defendant held by any garnishees within the District for the purpose of obtaining personal jurisdiction over the Defendant, to compel arbitration (if necessary) and to secure the Plaintiff's claim as described above.

WHEREFORE, Plaintiff prays:

- A. That process in due form of law issue against the Defendant, citing it to appear and answer under oath all and singular the matters alleged in the Verified Complaint;
- В. That the Court retain jurisdiction to compel the Defendant to arbitrate in accordance with the United States Arbitration Act, 9 U.S.C. § 1 et seq.

- That this Court recognize and confirm any arbitration award(s) or judgment(s) D. rendered on the claims set forth herein as a Judgment of this Court;
- E. That this Court retain jurisdiction over this matter through the entry of any judgment or award associated with any of the claims currently pending, or which may be initiated in the future, including any appeals thereof;

- F. That this Court award Plaintiff its attorneys' fees and costs of this action; and
- G. That the Plaintiff has such other, further and different relief as the Court may deem just and proper.
